About Us

Classique Winery was founded in 1979 as a family-owned estate by John and Jennifer Stephan. Back then, the world had recently recognized a U.S. Cabernet Sauvignon as the best in the world (1976 Judgement of Paris [a link](#)).

Today, their daughter Amelia and son-in-law, Donnie, run the winery together with their children, Katharine and Charles. A new state of the art facility was built in 2010 to accomodate the growing needs of the winery.

The mission of Classique Winery is to bring the highest quality wines to the tables of our customers.

Our sales team and tasting room employees all come from backgrounds in wine and culinary arts. They will help you pair your favorite dish with a bottle of our Classique Wines.

Enjoy!

Our Vineyards

The first planting of Cabernet Sauvignon was in 1980 after the Stephan's purchased 200 acres in Walla Walla Valley in Washington State.

The Washington State region has been recognized as one of the world's most exciting and acclaimed regions for growing wines.

Washington lies at the same latitude as the Bordeaux region in France, with the additional benefit of longer growing season and cooler nighttime temperatures.

The Reserve Wines from Our Vineyard

Two times a year, Hellenic Wine Club members receive 2 or 4 bottles of the "Reserve" wines, carefully selected by our Winemaker, Jacques St Jean.

In addition to receiving our Reserve wines, members are invited to exclusive club events, including harvest parties, Winemaker dinners, and member-only concerts in our vineyard.
